About White Design Company

Here at White Design Company we have many clients with busy lifestyles. Let’s face it, who wants to spend precious holiday time going from shop to shop, selecting furnishings and decoration for their new or existing property. Not only do you have to shop around but you also have to be here to coordinate the delivery or fitting. Most of the work we do is when you, the owner, is back in your home country. It is nice to turn the key in the lock when you arrive and know you can relax and have a holiday!
